

OEH014 ORGANIC LEMON MYRTLE

Product Description

Firsd Tea's **OEH014 Organic Lemon Myrtle** provides strong, lemon fragrance and flavor. Lemon myrtle offers some of the most concentrated amounts of aromatic compounds like citral, citronellal and linalool. It is considered more lemony than lemon, and does so without the intense citric acid in lemons.

Caffeine free. USDA Organic

OEH014

Ingredient Information

organic lemon myrtle leaves CS

Uses

- Craft brewers use 0.5-1.5 lbs per bbl on the cold side to infuse bright lemony aromas and flavor
- Tea blends use lemon myrtle for a strong, natural lemon flavor and aroma that avoids liquid flavors and lemon acidity
- Make a freshly cold-hopped beverage with lemon myrtle and citra hops
- Lemon myrtle often gets used in culinary applications that require lemon flavor while avoiding acids, especially milk-based foods like ice cream and cheesecake
